This brochure is not a contract of insurance and is intended to only provide an outline of the benefits of GAP protection. For exact terms, conditions, limitations and exclusions please refer to your GAP Waiver Addendum.

If your vehicle is stolen,  
 accidentally damaged  
 beyond repair, or otherwise  
 declared an insured total

loss, most standard auto policies only  
 cover the actual cash value of the vehicle....less your  
 deductible. Unfortunately, you remain financially liable for  
 any shortfall between the net insurance settlement and what  
 you owe on your loan. You could owe thousands of dollars  
 on a vehicle that you no longer have. GAP protection covers  
 the financial shortfall between your primary insurance  
 company's total loss settlement and the remaining balance  
 of your loan. Additionally, GAP protection covers your  
 out-of-pocket deductible\*\* on your auto policy.
